Dear Alberta,

Thank you for working so hard to help facilitate the entire visa process for PDC.

You did a phenomenal job, and I know that you went beyond the call of duty to ensure that all of our management team received their documents on time.

I appreciate your patience and your willingness to keep in constant contact with the Embassy so that you could update us on the visa process. It truly was a pleasure working with you.

Sincerely,

Kristi Smaby
Human Resources Director
